Re: Donation of material and supplies for therapy room project

We at Dream Catcher Therapy Center would like to thank you so much for your generous donation of materials and supplies to complete our therapy room. The materials you have donated along with the time donated by other generous volunteers, have made it possible for us to convert a garage/shop space in our barn into a warm and comfortable room to be used in our services to children, families, veterans, and individuals with physical and mental disabilities. Your generous donation of: 17 sheets of 4x8 drywall, one box drywall screws, two rolls mesh tape, 6 boxes all purpose drywall compound, and 1 roll insulation, totaling an amount of \$300.55, will benefit numerous individuals through our Equine-Assisted Therapy programs. As a non-profit, we rely largely on the generous support of our community in order to be able to offer help to horses and individuals in need. We cannot overstate how much your donation has meant to us and to the individuals we serve!

Again, thank you so much for your generous contribution!

Sincerely,

Christy Douglass,
Mental Health Therapist
